

CURRICULUM VITAE

Hyebin Seo

E-mail (Personal): seohyebin91@gmail.com

BIOGRAPHY

Hyebin Seo is currently pursuing research master's degree in English Education at Seoul National University. Her broad research interests encompass the psycholinguistics of reading and writing, methodologies in second language acquisition, technology for language teaching/learning, and doctoral education. She holds a TESOL certificate from both Yonsei University and University of California, Long Beach after undergoing 180 hours of face-to-face training. As a tutor who teaches students, she currently listens to voices and questions from the field to guide her next research question.
